

Weare Heritage Commission  
March 27, 2013  
Draft Minutes

**Present:** Tanya Krajcik, Chair; George Malette, Vice Chair and John Lawton.

**Excused:** Betty Straw

**Guests:** Sherry Burdick

**Minutes:** Motion to approve the minutes of November 28, 2012 as written was made by John with a second by George, all voted in favor.

**NH DOT Rt 77 Project:** We discussed the NH DOT Rt 77 project, to replace the old guardrail with new steel beam guardrail. The Commission decided that as long as this project is only replacing the existing steel cables with steel beams that it is not impacting any historic or cultural resource of the Town of Weare. George will e-mail Cathy Goodman at NH DOT with the Commissions response to the project.

**Town Wide Survey:** There was discussion about the Town Wide Survey among the Commission members and guest, Sherry Burdick , President of the Weare Historical Society. George Malette had spoken with Betty Straw; Betty's question for the Commission was "Of other towns that have completed a Town Wide Survey, what are they able to do with it"? Tanya said that she would follow up on this question and see what she could find out.

The next meeting is Wednesday, April 24, 2013 at 6:30pm.

Respectfully submitted, George Malette
