AGENDA

The purpose of this meeting is to.

- Approve minutes from December
- Budget ideas
- New business
- Search & Rescue training on 1/19

DISCUSSION

The meeting was unexpectedly changed from the safety complex to the town hall due to fire dept training. The chairman of the corp council was notified of the inconvenience.

Motion to approve Decembers minutes was made by Ellen and Paul second the motion.

Ellen gave an update on reciprocal links for the website. Red Cross, Citizen Corp and Weare Parent group are some of the sites that Ellen will ask for reciprocal links.

Ellen will set up a template for Channel 6 submissions. She will also email Helene Kirk to get our first posting on channel 6

Corey had mentioned using an emergency phone system. Peter has this link and will send it out to the group.

The group was divided into two teams for next meetings agenda: Communications and Budget items.

Communications:

- Doug
- Alan
- Chris
- Diane
- Corey (?)

Budget Items:

- Karen
- Mike
- Steve
- Richard
- Paul
- Peter
- Ellen
- Rick

Rick mentioned that before listing budget items, list what the team is most likely to be used for and work from those activities first.

Paul to look for another GPS/Mapping/Orienteering class

Peter reminded the group that the Red Cross is looking for people to become trainers in CPR

ESF questions will be addressed when Paul speaks to the group. Alan will send his questions to Paul. Once item that came up for Alan to ask is for the middle school to have an amateur radio antenna for shelter communications. Peter to follow up with Paul to get a special meeting for these questions.

Diane brought in a sample collapsible cone. Corey will send out a link to review for other cones, possibly lighted ones.

Peter mentioned having a radio and charger for each member of the team

Peter to send links to team on the uniform gear to review for budgeting items

Some initial ideas for the budget that were given:

- General license for GMRS for team
- Zip-up reflective vests
- Thermals
- Mittens that convert to finger-less gloves
- Hip waders
- Hunting/fishing vest
- Winterized water bottles
- Flashlights
- Head lamps
- Snow shoes

- Compass

Karen motioned to adjourn @ 20:30, Ellen second that motion.

Respectfully submitted,

Diane Lusardi
