### DISCUSSION

Motion to approve January minutes was made by Doug and Mike second the motion.

Reviewed the schedule for the traffic detail for Feb 29<sup>th</sup> – March 2<sup>nd</sup>. Secured resources for this event.

Our new meeting place is the Weare Middle School cafeteria.

Ice rescue training went well. There is another one expected to be in the Spring. It was suggested that if a few members of CERT attend a training, it would be beneficial for them to bring back any presentation for an overview of the training.

Paul to look for another GPS/Mapping/Orienteering class, as well as another First Responders Psychological training.

Diane mentioned the emergency communications training for Ham radio operators through the Emergency Coordinator of Hillsborough county.

In the March meeting, Paul King will go through the ESF expectations.

Peter suggested doing an outreach program on personal protection. It was suggested that we could engage Goffstown for this class.

Alan proposed an outreach program with the middle school for putting up a weather station. The link to the station could be also on the CERT website. Alan will write up a proposal for this.
